Sailing

As a child I spent my summers working on boats and racing one designs (laser, lighting, & 470). As an undergraduate I taught basic sailing and racing classes during the summer at **The Oshkosh Yacht Club** (1995-1997). I was the sole instructor, responsible for safety and designing/implementing the curriculum. In 2008 I taught my wife to sail and in 2012 we sailed our 1978 36 foot Allied Princess ketch from San Francisco to Mexico. We subsequently joined the Seward Yacht club and have undertaken two 10 day trips among the Kenai Fjords.
